CONSULTATION PLAN

Terms of Agreement

I agree to the Consultation Plan as laid out on the previous page and I understand that the amount paid for this plan is for the visits of any of the following as deemed necessary by the doctor for my plan: follow up consultations, lab recommendations, result analysis, and food and supplementation recommendations. I understand that this Consultation Plan is only visit based.

I understand that I am paying for the analysis of my individual condition, my progress reports, and any lab reports as well as the development of my food and supplement plan, and that the time spent on these may be significantly greater than the time spent directly with me during my visits (consultations via phone or in person).

I understand that this plan is not billable to insurance and therefore The Wellness Way will not bill any of these services to any insurance company.

I agree that if I discontinue my visits during this program, all services already rendered will revert to full price. Supplements will also revert to full price. I will be responsible for paying the difference. If a credit remains after pricing has reverted to full price, The Wellness Way will refund me the amount owed. Refunds will not be accepted 1 year past the purchase date of the Consultation Plan.

I agree that my plan is non-transferable to other patients and is only applicable at The Wellness Way - Raleigh, unless approved by Management.

Finally, I also understand and will agree to the required 48 hours cancelation/reschedule notice. If my consult is canceled or rescheduled in less than 48 hours I will forfeit one visit, except under extenuating circumstances that is approved by Management only.
